

Declaration of Hazardous Substances

TSC Ferrite International
39105 North Magnetics Boulevard
Wadsworth, Illinois 60083

Product Part Number or Material Type	Ferrite material grades TSF-7070 TSF-7099, TSF-5099, TSF-50ALL, TSF-8040, TSF 5000 and TSF -010K
---	---

Substance List:

Type	Substance/Material	Is it used?		If Yes ppm level
		No	Yes	
Class I Substances which are regulated by EU Directive RoHS	Cadmium Compounds	X		
	Lead and Compounds	X		
	Mercury and Compounds	X		
	Chromium (IV) and Compounds	X		
	Polybrominated biphenyl (PBBs)	X		
	Polybrominated diphenylethers (PBDEs)	X		
Class II Substances which are designated for restricted use by regulations or other by EU directive RoHS	Polychlorinated biphenyls (PCBs)		X	
	Polychlorinated terphenyls (PCTs)		X	
	Polychlorinated naphthalenes (PCNs)		X	
	Ozone layer depleting substances (CFCs, HCFCs, Halons)		X	
	Asbestos and compounds		X	
	Formaldehyde		X	
	Short – Chain chlorinated paraffins (Alkane 10 ~ 13 Carbon chain)		X	
	Azo Compounds		X	
	Organic Tin compounds		X	
	Arsenic and Compounds		X	
Class III Substances whose uses are monitored and reported to develop appropriate measures for future restrictions	Phthalates		X	
	Polyvinyl chloride (PVC)		X	
	Beryllium and compounds		X	
	Other chlorinated flame retardants		X	
	Other brominated flame retardants (BFRs) - TBBP – A: Tetrabromobisphenol - A		X
